

## **COOKIES NOTICE**

European laws, including the General Data Protection Regulation (“GDPR”) and the e-Privacy Directive 2002/58/EC, create obligations for digital publishers such as GRIN Therapeutics, Inc. (hereafter “GRIN”, “we”, or “us”) to give visitors of their sites and apps information about how they will use and share their personal data, as well as about the use of cookies, mobile ad IDs, and other forms of local storage.

Since GRIN is using cookies on its website, clear and mandatory information must be mentioned in this Cookies notice, as set out below.

### **INFORMATION ABOUT COOKIES**

#### **1. WHAT ARE COOKIES?**

A cookie is a text file, normally consisting of letters and numbers, sent by a web server to a web browser and stored by the browser on the user’s device (e.g., computer, telephone, tablet). These cookies can be used to identify or to collect information about you.

#### **2. WHAT TYPES OF COOKIES ARE THERE?**

Cookies can be classified as follows, depending on the owner:

- First-party cookies: They are created, sent to your device and stored by the website you are visiting directly. They allow GRIN to collect customer analytics data, remember language settings, and carry out other useful functions that help provide a good user experience.
- Third-party cookies: They are created and placed by third parties other than the website you are visiting directly. They are not managed by GRIN, but by the third party that processes the data obtained from the cookies.

Cookies can also be classified depending on the purpose of their placement. Main categories are:

- Strictly necessary cookies (also called “technical cookies”): they allow you to browse a website, a platform or an app, and to use the various options or services on it (e.g., control traffic, identify data or session, access to restricted access sections or content, etc.).
- Functional cookies: they help GRIN to make the website usable by providing you some basic features and by remembering your preferences and choices of using GRIN’s website (e.g., language, the region from where the service is accessed, etc.). Not accepting cookies may cause slow website performance or poorly adapted recommendations.
- Statistics cookies: they allow GRIN to have a better understanding of how you interact with the website (e.g., which pages are visited the most) in order to optimize the functioning of the website.
- Marketing cookies: they enable GRIN to monitor your behaviour on the website. The aim is to display advertisements that are meaningful and attractive to you and therefore more useful to third party publishers and advertisers, as well as to make promotional and specific information available to you on the website.

Cookies may also be divided into two categories depending on the period for which they are stored:

- **Session cookies:** they allow GRIN to recognize and link your actions during a browsing session. When you go to the login page, these temporary cookies will be created to determine whether or not your browser accepts cookies.
- **Persistent cookies:** they are placed on your device between sessions. They can be used to remember your preferences or actions on GRIN's website.

### 3. HOW TO USE COOKIES?

Cookies in no way give GRIN access to your device or any information other than the data you choose to share with GRIN.

Concretely, these cookies help to improve the functioning of the website of GRIN and can be used for several purposes:

Cookie Name	Type	Purpose	Service Provider	First or Third-Party cookies	Retention period
_ga	Analytics	Cookie used to count and track pageviews	Google Analytics	Third Party Cookie	2 years

Unclassified:

### 4. HOW TO MANAGE COOKIES?

You are able to accept or decline cookies when you enter GRIN's website and see the cookies notice. If you change your opinion, you are also able to come back to your preferences at all times by clicking on "cookie preferences" icon in the lower right corner of the window.

Alternatively, you can manage your cookie preferences through your browser settings. However, in some cases, some functions of the website may not work.

To find out more about cookies, including seeing what cookies have been set and how to manage and delete them, visit [www.allaboutcookies.org](http://www.allaboutcookies.org) or <https://www.aboutcookies.org/>.
